### **Summary and purpose of document**

This document presents a list of WMO meeting(s) to which CGMS will be invited within the next year.

---

### **ACTION PROPOSED:**

CGMS to nominate a representative, as appropriate, for each WMO meeting.

---

## **DISCUSSION**

1. The following list of WMO meeting(s) will occur between CGMS-XXVIII and XXIX. CGMS should nominate a representative for each meeting as appropriate.

- WMO Fifty-third Executive Council (EC-LIII), 5–15 June 2001

2. Although CGMS is not invited to the Consultative Meetings on High-Level Policy on Satellite Matters, the satellite operators are invited in their own right. Thus, CGMS satellite operators may wish to note that the First Session of the Consultative Meetings on High-Level Policy on Satellite Matters will be held in Geneva, Switzerland, with a tentative date of 22-23 January 2001.
